**Pasco County Commissioner Pat Mulieri to discuss county issues at PACA's May 13, meeting.**

LAND O' LAKES – Pasco County Commissioner, Pat Mulieri, will speak on county issues at the May 13, meeting of the Pasco Alliance of Community Associations (PACA).

The meeting, open to the public as well as to PACA members, begins at 7 p.m. on Thursday, May 13, at the Land O' Lakes Community Center located at 5401 Land O' Lakes Blvd. (US 41), three miles north of SR 54.

Commissioner Mulieri represents the second district and she currently chairs the County commission. Most of our membership communities are within her district; this is an opportunistic time for all to attend. Especially, since the SR 54 & I-75 construction projects are underway and other pertinent community issues can be spoken of.

PACA is a not-for-profit organization whose members include representatives from 75 of Pasco County's homeowner associations, community development districts and condominium associations. PACA assists members by educating them on common issues and finding solutions to shared problems. It also represents the interests of members before all levels of government.

For more information on PACA, contact either **Membership Director David Quinones** at (813) 991-1505 or **President Joe Wyatt** at (813) 907-2081, or visit the PACA website at **[www.MyPACA.org](http://www.MyPACA.org)**.
