Richard Gagen is project manager for CES Engineering Inc., a Tampa-based consulting engineering and general contracting firm. He will discuss the all-important storm water runoff collection systems that lie just beneath our communities. Federal, state and county regulations dictate extensive storm water collection systems be a part of all new communities in Pasco County. Mr. Gagen will discuss the proper inspection of those systems to maintain their operational efficiency, the best ways to rehab such systems and the in's and out's of the permitting system administered by SWFWMD.
- VIII. Old Business
- IX. New Business
- X. Member Issues
- XI. Motion to adjourn

Next month's meeting will be held on Thursday, May 12, beginning at 7 p.m. Our scheduled speakers are two vice presidents from T. Rowe Price, which has purchased a 94-acre site in Land O' Lakes to build a facility expected to create 1,600 jobs in ten years. VP Mark Ruhe heads strategic real estate transactions and VP John Townsend is general manager of the Tampa Financial Center.
